

# Breakfast for Collin

Wyoming United Methodist Church is hosting the event below:

~~~~~  
*Coach Christian Zwickert is the Head Men's Lax Coach at Wesley College. His son, Collin, suffered a severe injury during his birth resulting in extensive brain damage and many other medical problems. While insurance covers some of Collin's care it does not come close taking care of everything he needs. There are many costs not covered by their insurance, including therapy, medical supplies, equipment and home/car wheelchair accommodations that could help Collin reach his fullest potential but these things must be paid for out-of-pocket. This is a nondenominational breakfast.*

**When:** Saturday October 20, 2007 8:00 am
