

Wyoming United Methodist Church

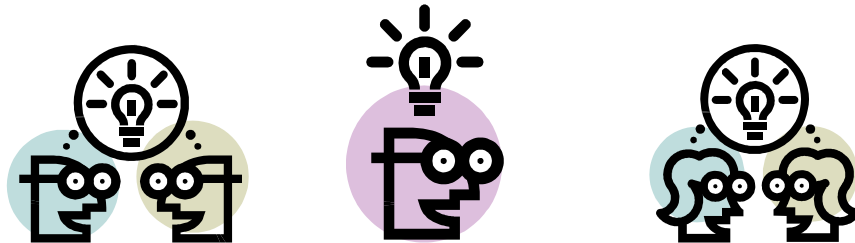

"The church that *USED* to be behind Witt's Market?"

Do you really want to be stuck with that out-dated identity?

We need a fresh, new image to go with our new building ...

A 'motto' that tells the world not only *where* we are
but *who* we are
and welcomes others to join us in sharing
the love of Christ!

Have fun! Brainstorm with friends over coffee, in your Sunday School class or small group. Enter early! Enter often!

Deadline: January 31
